## Enzymatic Cleaner/Degreaser of Food Wastes

### DESCRIPTION

Concentrated enzymatic floor cleaner and solvent-free degreaser for floors soiled with food proteins, greases, and oils. Releases embedded grease reducing the likelihood of slip & fall incidents in food environments. Also, deodorizes and removes grease from wet mops after use. Safe for the cleaning of surfaces that can be in contact with food.

### USE

Autoscrubber or mop & bucket application. May be used in spray applications to clean and remove grease and soil from counters, walls, etc. Use regularly to deodorize floor drains. No rinsing required for floors, walls and other non-food contact surfaces. Do not use on floors coated with floor finish.
