INDOORS CAPS

Concentrated Glass and Surface Cleaner

DESCRIPTION

Concentrated ammonia-free glass and surface cleaner for the removal of light soil from glass, mirrors, desks, counters, telephones, plastic laminates, and chrome.

SPRAY BOTTLE FILLING

1. Rinse the spray bottle before each refill
2. Fill the spray with cold or temperate water. Do not fill to the top. Leave enough volume for the concentrate in the CAPS to mix
3. Screw the CAPS on the spray bottle until you hear a SNAP! Mix by up-ending the bottle a few times
4. Remove the CAPS and screw on the spray trigger
5. After use, dispose of the empty CAPS according to local recycling guidelines

USE

Spray on the surface to be cleaned. Allow to stand and then wipe with a damp microfiber cloth or sponge. Rinse with cold water. Allow to dry.

For safety reasons, it is recommended to apply the product to switches and outlets using a paper towel or microfiber cloth. DO NOT SPRAY ON SWITCHES DIRECTLY.

DOSAGE

Use one CAPS per quart bottle (32 oz.)

TECHNICAL CHARACTERISTICS

- Fragrance: flowery
- Color: blue
- pH: 7 ± 0.5
- pH in solution: neutral

STORAGE & CONSERVATION

Keep the product in its original closed packaging. Do not allow to freeze. Best used within 2 weeks after dilution based on adequate storage conditions.

ECOLOGICAL INFORMATION

- Ecolabel certified
- Biodegradable product (EC 648/2004)
- Packaging 100% recyclable
- Raw material from renewable origin: 40%
- CO₂ neutral production and transportation from Belgium to your warehouse
- 100% wastewater treatment
- Production based on 100% renewable energy (solar, thermal or hydroelectric)

SOCIAL RESPONSABILITY

Contributes to a concrete sustainable development project (via CO2Logic).

PACKAGING

PACKAGING	ITEM N#	BARCODE
ECONO: 200 CAPS (loose) + 2 Bucket-Fill Activators	GEN772	762047006604
MASTER PACK: 32/4 CAPS Cartridges	GEN872	762047006048
