SURFGLOSS

Ready-to-use Stainless Steel, Glass and Surface Cleaner

DESCRIPTION

Ready-to-use spray cleaner for the cleaning of stainless steel, glass and other washable surfaces. This extremely efficient cleaner makes soil removal effortless. PolGreen Surfloss is alcohol-based, which enables rapid drying and leaves surfaces free from streaks or hazing. Food contact approved.

USAGE

Spray PolGreen Surfloss on a paper towel or clean, dry microfiber cloth. Wipe the surface completely. Leave to dry.

DOSAGE

Ready-to-use
